# Welcome!

Welcome to the first Derbyshire Scout Activity Directory.

This booklet is a collection of useful information and contacts for Scout Active Support Units (SASUs), Activity Teams, Campsites and events which offer exciting opportunities for Scouts in Derbyshire.

We hope it will bring more exposure to the wealth of support and resources available and inspire Scout Groups around the County to get involved with fun activities available on their doorstep.

Thank you to all that have contributed to this directory and helped to make it a reality. We look forward to the next year and hope you will enjoy using and promoting this fantastic new resource.

*Nick*

## General Notice

All of the teams featured in this booklet are run by volunteers. Whilst they will endeavour to offer sessions to all Scout Groups, there may unfortunately be restrictions on times, days and locations to work around the team's commitments. Sessions may also include a charge to help cover the cost of resources, transport and equipment maintenance.

# Young Leaders' Scheme

The Young Leader Scheme is a fantastic opportunity for 14-18 year olds to gain hands-on experience helping within a Colony, Pack or Troop. The scheme guides them through a range of modules and helps them to develop their own Scouting, personal and leadership skills.

In Derbyshire we have a dedicated Assistant County Commissioner (ACC) to support Young Leaders and their Scout Groups and help them get the most out of the Young Leader Scheme.

For more information, support or advice, contact:

ACC Young Leaders: James Stafford

## Terrain

### Terrain Zero

Describes terrain which meets one of the following criteria:

- a. Meets all the following criteria:
  - Below 500 metres above sea level
  - Within 30 minutes travelling time from a road which can take an ordinary road-going ambulance, building which is occupied (such as a farm) or another means of summoning help (such as a phone box).
  - Contains no element of scrambling
- b. Is a road, or path adjacent to a road, where you would expect to see traffic.

### Terrain One

Describes terrain which meets all of the following criteria:

- a. Meets any of the following criteria:
  - Is between 500 and 800 metres above sea level
  - Is between 30 minutes and 3 hours travelling time from a road which can take an ordinary road-going ambulance, a building which is occupied (such as a farm) or another means of calling help (such as a phone box).
- b. Contains no scrambling.
- c. Is not a road, or path adjacent to a road, where you would expect to see traffic.
- d. Is not defined as Terrain Two.

### Terrain Two

Describes terrain which meets all of the following criteria:

- a. Meets any of the following criteria:
  - Is over 800 metres above sea level
  - Lies more than three hours travelling time from a road which can take an ordinary road-going ambulance or a building which is occupied (such as a farm) or another means of calling help (such as a telephone box)
  - Contains an element of scrambling
- b. Is not a road, or path adjacent to a road, on which you would expect to see traffic.

### Specialist terrain

When in terrain or using skills that have not been assessed for a Terrain Two hill walking permit (such as glaciers), then specific approval is required for the activity from the responsible Commissioner based on advice from someone with knowledge and experience of the activity.

# Classifications

## Water

### Class C

Safe inland waters (including inland lakes, lochs, rivers, canals or other stretches of placid water) which are less than 100 metres wide throughout the region being used and where surface turbulence is limited to the regular waves produced by wind action (this includes slow flowing water such as rivers and canals where the flow causes little effect); and swimming pools.

### Class B1

Sheltered inland waters and other sheltered water where currents and tides create no real danger.

### Class B2

The sea up to one mile from the shore, but excluding more dangerous waters close inshore; more sheltered parts of estuaries; large inland lakes and lochs; inland waters British Canoe Union Grade 2.

### Class B3

The sea up to three miles from the shore, but excluding more dangerous waters close inshore; busy commercial ports, exposed parts of estuaries; inland waters British Canoe Union Grade 3.

### Class A

Open sea more than three miles from the shore, and other dangerous waters close inshore; inland waters British Canoe Union Grade 4 and above.

### Training Water

A County Commissioner may designate any water as Training Water for Local Groups and approve a variation in the published classification and defined areas for the named Groups.

## Border Hike

**Date:** 20th - 22nd September 2013  
19th - 21st September 2014

The Border Hike is a demanding 'Incident Hike' based around the challenging terrain close to Gradbach Scout Camp. The incidents add a number of dimensions to a walk, with points awarded for skill, knowledge, teamwork and navigation, rather than speed.

Open to Scouts and Explorers, teams of 4 compete over a hike of 8-10 miles, with an additional orienteering exercise for Explorers. The event includes camping for the weekend.

## Dove Canoe Race

**Date:** Sunday 6th October 2013  
Sunday 5th October 2014

The David Lee Memorial Canoe Race, also known as The Dove Canoe Race, is held each year on a length of the river Dove near Ashbourne. The race is split into two courses - a 3 mile 'short' course for younger or less experienced members and a 'full' course travelling a further 2 miles.

Both routes use a stretch of the river not normally available to canoeists, with a number of small weirs that have to be negotiated.
